

Getting Late

Tyla

Baby, I know it's getting late
Baby, and I want you to know
Baby, I know it's getting late
And you don't wanna wait
But I won't waste your time and I
Baby, and I want you to know
Without me you don't go
So I'ma take my time and I...

All I wanna ask is...
All I wanna ask is...
All I wanna ask is...
All I wanna ask is...

Baby, I know it's getting late
And you don't wanna wait
But I won't waste your time and I
Maybe, I want you to know
That I won't let you go
And I won't waste your time and I

All I wanna ask is...

You give me life, no gravity you fly
For you baby I will stop the hands of time
Relax baby, gimme time and then we'll go
Couldn't call to let you know
That I'ma be a while

Baby, I know it's getting late
And you don't wanna wait
But I won't waste your time and I
Baby, and I want you to know
Without me you don't go
So I'ma take my time and I...

All I wanna ask is...
But I won't waste your time

All I wanna ask is...
All I wanna ask is...
All I wanna ask is...
All I wanna ask is...

Baby, I know it's getting late
And you don't wanna wait
But I won't waste your time and I
Maybe, I want you to know
That I won't let you go
But I won't waste your time and I

All I wanna ask is...
All I wanna ask is...
