

Girl Next Door

Tyla

Woah-oh-ooh
Ooh, ooh
Woah-oh-ooh
Ooh, ooh

Don't mess this up, I'm warning you
Got a lot of options, wishing they were you
Don't be the guy that walked away
That's a mistake you shouldn't make, oh-ooh

Go easy, don't act like you don't need me now
You're so busy but don't act like you don't see me now
Don't be greedy and jump on the next thing you see now
You see now

(Woah-oh-ooh, ooh)
Don't you leave me for the girl next door (Ooh)
Don't you leave me for the girl next door (Girl next door)
Girl next door (Girl next door)
Girl next door (Girl next door)
Don't you leave me for the girl next door

(Yeah, yeah, yeah)
Goodbye, goodbye, goodbye for that girl you seen outside
You know her loving ain't gonna be better than mine
And you know I won't waste no time, I can have another you by 9
You know it's you, why lie?
So you better just take your time
I'm just saying

Go easy, don't act like you don't need me now
You're so busy but don't act like you don't see me now
Don't be greedy and jump on the next thing you see now
You see now

(Woah-oh-ooh, ooh)
Don't you leave me for the girl next door (Ooh)
Don't you leave me for the girl next door (Girl next door)
Girl next door (Girl next door)
Girl next door (Girl next door)
Don't you leave me for the girl next door (Girl next door)
Girl next door (Girl next door)
Girl next door (Girl next door)
Don't you leave me for the girl next door
