

This feels way too good to be true  
I'm ready to go there with you  
I'm falling again, it's like déjà vu, ooh

The last time that I met someone like you  
Had some good times and we had some bad times too  
And it looks like you're gonna be that times two  
As bad as I want ya

I know that it's danger, I know I'm safer running  
Oh, running, oh  
Oh, running  
I know that it's danger, I know I'm safer running  
Oh, running, oh  
Oh, running  
I know that it's danger, I know I'm safer (Running)

Yeah, yeah, knew what it was but I thought it'd be different  
Being with you almost making me miss 'em  
I, I tried to keep an open mind  
Deep down, I knew why  
Why it felt so right 'cause

Last time that I met someone like you  
Had some good times and we had some bad times too  
And it looks like you're gonna be that times two  
As bad as I want ya

I know that it's danger, I know I'm safer running  
Oh, running, oh  
Oh, running  
I know that it's danger, I know I'm safer running  
Oh, running, oh  
Oh, running  
I know that it's danger, I know I'm safer

I'm safer over here (Safer)  
Safer when you're not near (Know I'm safer)  
Can't go back, won't go back  
I know that it's danger, I know I'm safer  
I'm safer over here (Safer)  
Safer when you're not near (Know I'm safer)  
Can't go back, won't go back

I know that it's danger, I know I'm safer running  
Oh, running, oh  
Oh, running  
I know that it's danger, I know I'm safer running  
Oh, running, oh  
Oh, running  
I know that it's danger, I know I'm safer (Running)
