

# Big Things

Tyler Carter

No, you can't borrow no money  
I haven't heard from your ass in two years, huh  
You suddenly want something from me  
Now that I'm snapping from Beverly Hills

So let's just skip the how you've been and doings  
Boy, you sound so fucking stupid  
Telling everyone you knew me just 'cause

I'm doing big things  
I'm doing big things  
Feet up so high, living the life  
I'm doing big things

Calling at three in the morning  
Saying you sorry and leaving was wrong, oh, wrong  
You only call when you're horny  
You only want me now that I'm on, ooh

So we should skip the how you've been and doings  
Girl, you sound so fucking stupid  
Telling everyone you blew me just 'cause

I'm doing big things  
I'm doing big things  
Feet up so high, living the life  
I'm doing big things

Feel like a king 'cause I been on my shit  
You digging for gold, but you ain't getting dick (ha, ha)  
Oh, big things, I'm doing big things  
(Ha, ha, oh)  
Fuck!

So let's just skip the how you've been and doings  
Boy, you sound so fucking stupid  
Telling everyone you knew me just 'cause  
I'm doing big things, oh
