

# Landslide

Tyler Carter

I took my love, and I took it down  
I climbed a mountain, and I turned around  
And I saw my reflection in the snow-covered hills  
'Til the landslide brought me down

Oh, mirror in the sky, what is love?  
Can the child within my heart rise above?  
Can I sail through the changing ocean tides?  
Can I handle the seasons of my life?  
Hmm...

Well, I've been afraid of changing  
'Cause I've built my life around you  
But time makes you bolder, even children get older  
And I'm getting older too

Take this love, take it down  
And if you climbed a mountain, and you turn around  
If you see my reflection in the snow-covered hills  
Well, the landslide brought me down

Oh, mirror in the sky, what is love?  
Can the child within my heart rise above?  
Can I sail through the changing ocean tides?  
Can I handle the seasons of my life?  
Hmm...

Well, I've been afraid of changing  
Because I've built my life around you  
But time makes us bolder, children get older  
And I'm getting older too  
Well, I'm getting older too  
Well, I'm getting older too

I took my love, and I took it down
