Mirrors

Tyler Carter

Aren't you somethin' to admire?
Cause your shine is somethin' like a mirror
And I can't help but notice
You reflect in this heart of mine
If you ever feel alone and
The glare makes me hard to find
Just know that I'm always
Parallel on the other side

Cause with your hand in my hand and a pocket full of soul
I can tell you there's no place we wouldn't go
Just put your hand on the glass
I'll be tryin' to pull you through
You just gotta be strong

I don't wanna lose you now
I'm lookin' right at the other half of me
The vacancy that sat in my heart
Is a space that now you hold
Show me how to fight for now
And I'll tell you, baby, it was easy
Comin' back to you once I figured it out
You were right here all along

It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making
Two reflections into one
'Cause it's like you're my mirror
My mirror staring back at me, staring back at me

A mirror with a simple purpose
Fall deep into a reflective service
And I'm getting nervous cause the more I think we are perfect together
The more you think we are worthless and wether
Or not you choose to stay is beyond me
I promise I'm as happy as I'll ever be
Don't you see us we are two peas in a pod
And it's odd that my soul and my bod
Would deteriorate if you shatter the glass
In this mirror I see fate
So fuck the past we'll just
Take a break and start over
Here's to a clean slate
Now come on over

I'm lookin' right at the other half of me
The vacancy that sat in my heart
Is a space that now you hold
Show me how to fight for now
And I'll tell you, baby, it was easy
Comin' back to you once I figured it out
You were right here all along

It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making
Two reflections into one
'Cause it's like you're my mirror
My mirror staring back at me, staring back at me

And girl you're my reflection, and all I see is you
My reflection, in everything I do
And girl you're my reflection and all I see is you
My reflection, in everything I do
And girl you're my reflection and all I see is you
My reflection, in everything I do
And girl you're my reflection and all I see is you
My reflection, in everything I do, do, do
