

# Mirrors

Tyler Carter

Aren't you somethin' to admire?  
Cause your shine is somethin' like a mirror  
And I can't help but notice  
You reflect in this heart of mine  
If you ever feel alone and  
The glare makes me hard to find  
Just know that I'm always  
Parallel on the other side

Cause with your hand in my hand and a pocket full of soul  
I can tell you there's no place we wouldn't go  
Just put your hand on the glass  
I'll be tryin' to pull you through  
You just gotta be strong

I don't wanna lose you now  
I'm lookin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Comin' back to you once I figured it out  
You were right here all along

It's like you're my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside of me  
And now it's clear as this promise  
That we're making  
Two reflections into one  
'Cause it's like you're my mirror  
My mirror staring back at me, staring back at me

A mirror with a simple purpose  
Fall deep into a reflective service  
And I'm getting nervous cause the more I think we are perfect together  
The more you think we are worthless and wether  
Or not you choose to stay is beyond me  
I promise I'm as happy as I'll ever be  
Don't you see us we are two peas in a pod  
And it's odd that my soul and my bod  
Would deteriorate if you shatter the glass  
In this mirror I see fate  
So fuck the past we'll just  
Take a break and start over  
Here's to a clean slate  
Now come on over

I'm lookin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Comin' back to you once I figured it out  
You were right here all along

It's like you're my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside of me  
And now it's clear as this promise  
That we're making  
Two reflections into one  
'Cause it's like you're my mirror  
My mirror staring back at me, staring back at me

And girl you're my reflection, and all I see is you  
My reflection, in everything I do  
And girl you're my reflection and all I see is you  
My reflection, in everything I do  
And girl you're my reflection and all I see is you  
My reflection, in everything I do  
And girl you're my reflection and all I see is you  
My reflection, in everything I do, do, do
