

# The Bones

Tyler Carter

We're in the homestretch of the hard times  
We took a hard left but we're alright  
Life sure can try to put love through it, but  
We built this right so nothing's ever gonna move it

When the bones are good the rest don't matter  
Yeah, the paint could peel the glass could shatter  
Let it rain, you and I remain the same  
When there ain't a crack in the foundation  
Baby, I know any storm we're facing  
Will blow right over while we stay put  
The house don't fall when the bones are good

Call it dumb luck, baby, you and I  
Can't even mess it up, though we both tried  
It won't always go the way we planned it  
But the wolves came and went  
And we're still standing

When the bones are good the rest don't matter  
Yeah, the paint could peel the glass could shatter  
Let it rain, you and I remain the same  
When there ain't a crack in the foundation  
Baby, I know any storm we're facing  
Will blow right over while we stay put  
The house don't fall when the bones are good  
The bones are good...

Bones are good, the rest, the rest don't matter  
Paint could peel the glass, glass could shatter  
Bones are good, the rest, the rest don't matter  
Paint could peel the glass, glass could shatter

When the bones are good the rest don't matter  
Yeah, the paint could peel the glass could shatter  
Let it rain, you and I remain the same  
When there ain't a crack in the foundation  
Baby, I know any storm we're facing  
Will blow right over while we stay put  
The house don't fall when the bones are good

Will blow right over while we stay put  
The house don't fall when the bones are good
