

Gods + Monsters

Tyler Glenn

I believed in gods and monsters too
Then I found out they're all impostors just like you
Somebody take me higher, higher, higher
Until I'm up in the clouds
I'm a king with no crown
And I ain't ever gonna come back down

I just walked around your city
It felt like a lifetime ago
We were naked in your bed
I remember what I said

It was like "hey, did you kiss him on the mouth?"
I was looking at your phone
You were in the shower
That was then and this is now

Yeah
Players only love you when they're playing
Players only love you when they're playing
Playing, playing, oh

I believed in gods and monsters too
Then I found out they're all impostors just like you
Somebody take me higher, higher, higher
Until I'm up in the clouds
I'm a king with no crown
And I ain't ever gonna come back down

No I ain't never gonna
No, I ain't never gonna come back down
No, I ain't never gonna
No, I ain't never gonna come back

November 6th was a hell of a ride
Do you remember when I called you and we both cried?
You were with your friends at the fault line
Then you fed me some lie about how you're all mine
I lost the Lord then I lost you
Then I mixed my dignity with gin and fruit juice
I keep on leaning on the window seat
And angels on the buildings
You're a song that we sung to

Players only love you when they're playing, yeah
Players only love you when they're playing, playing
Oh

I believed in gods and monsters too
Then I found out they're all impostors just like you
Somebody take me higher, higher, higher
Until I'm up in the clouds
I'm a king with no crown
And I ain't ever gonna come back down

No I ain't never gonna
No, I ain't never gonna come back down

No, I ain't never gonna
No, I ain't never gonna come back

I took a peek behind the curtain and I
I took a peek behind the curtain and I freak
I need more sleep, less of the dream
Maybe more weed
Yes please, yes please, yes please

I believed in gods and monsters too
(I believed, I believed, I believed in gods and monsters)
Then I found out they're all impostors just like you
Somebody take me higher, higher, higher
Until I'm up in the clouds
I'm a king with no crown
And I ain't ever gonna come back down

(No I ain't never gonna
No, I ain't never gonna come back down)
Well I ain't ever gonna come back down
(No, I ain't never gonna
No, I ain't never gonna come back)

No I ain't ever gonna come
(No, I ain't never gonna
No, I ain't never gonna come back)
