

# Shameless

Tyler Glenn

Yeah, your talk is cheap, you like mystery  
I been awake since 2AM  
I can barely stand another low  
But the highs? I wanna do 'em again  
Maybe meet you with a couple friends  
This ain't love, but maybe we pretend  
Rent some pornographic movie  
And we both know how it ends  
I won't say it again

It's the darkest time of the night  
God and vodka might save my life  
You judge, but I don't give a damn  
I live a life so shameless

I live a life so shameless  
Oh no, I don't give a damn  
I live a life so shameless

Go ahead, lock me up  
And throw away the key  
My heart's beatin' like a feelin'  
I got more tricks up my sleeve  
You'll never get it, but you regret it  
You won't forget this when we're done  
Hell and heaven, quit pretendin'  
Now I'm havin' too much fun  
Do you want some?

Why not take me now as I am?  
Why not take me now like a man?  
You hate what you don't understand  
I live a life so shameless

I live a life so shameless  
I live a life so shameless  
Oh no, I don't give a damn  
I live a life so shameless

I've been fighting off  
A hurricane inside of me  
Here comes waves-waves-waves  
In my brain-brain-brain  
I just wanna feel your body  
On my bo-bo-dy  
A public enemy

It's the darkest time of the night  
God and vodka just saved my life (my life, my life, my life)  
You judge, but I don't give no  
No I don't give a damn  
Why not take me not as I am?  
Why not take me not like a man?  
You hate what you don't understand  
I live a life so shameless

Oh no, I don't give a damn

I live a life so shameless  
You hate what you don't understand  
I live a life so shameless  
No-no-no-no-no-no-no-no  
I live a life so shameless  
You hate what you don't understand, I don't give a damn  
I live a life so shameless
