

Adrenaline

Tyler Rich

On Franklin and 4th in an ice cold sweat
Throwin' rocks at the Starbucks where she and I met
I got drunk on the past every day every night
Till you sobered me up and got her off my mind
Used to walk the streets like the walking dead

Mmh, it's like somebody sent you
So you could come and save me

Your kiss is makin' me feel again
Those lips are stronger than medicine
I'm fallin', I'm all in
You brought me back to life
More alive that I've ever been
I don't wanna be 6 feet under her
I wanna be right under you
And your lips on my lips, yeah
Kickstart my heart, like adrenaline
Mmh, baby like adrenaline

Like that forgot about Chevy runnin' on fumes
I was caught in the mud, now I'm caught up on you
I get drunk off of you every day every night
And you run through my veins, got my blood pressure high

And baby I could get used to this
Yeah, I could get used to...

Your kiss is makin' me feel again
Those lips are stronger than medicine
I'm fallin', I'm all in
You brought me back to life
More alive that I've ever been
I don't wanna be 6 feet under her
I wanna be right under you
And your lips on my lips, yeah
Kickstart my heart, like adrenaline
Ooh yeah, baby like adrenaline

Dazed and confused
It's how I used to be
It's like somebody sent you
So you could come and save me

That kiss is makin' me feel again
Those lips are stronger than medicine
I'm fallin', I'm all in
Girl I'm back from the dead and I'm better than I've ever been

Your kiss is makin' me feel again
Those lips are stronger than medicine
I'm fallin', I'm all in
You brought me back to life
More alive that I've ever been
No I don't wanna be 6 feet under her
I wanna be right under you
And your lips on my lips, yeah

Kickstart my heart, like adrenaline
Mmh, yeah baby like adrenaline
