

Here With You

Tyler Rich

She does everything right
She knows just what to say
Yeah, my friends and my family would damn sure hate me
If she got away
She always plays it cool
We even laugh when we fight
So tell me how in the hell do I help myself
From drifting in my mind

Back to you and I can't forget
Back to you in that long, white dress
Back to you in my bed, it's a mess
In my head and I don't know what to do
'Cause I'm here with her
But I'm still here with you
Mm, mm, yeah

She could be the one
Just because you're gone
Yeah, she's everything I want 'til you come prove me wrong
And I'm stuck moving on

Back to you and I can't forget
Back to you in that long, white dress
Back to you in my bed, it's a mess
In my head and I don't know what to do
'Cause I'm here with her
But I'm still here with you

Yeah, I'm still, yeah, I'm still here with you
I'm still...

Back to when it was you and me
Back to when I never thought you'd leave

Back to you and I can't forget
Back to you in that long, white dress
Back to you in my bed, it's a mess
In my head and I don't know what to do
'Cause I'm here with her, oh
When I'm here with her
I'm still here with you

I'm still, I'm still here with you
I'm still here with you
