

I Can Teach Ya

Tyler Rich

Well you say you got two left feet
A little shy, aint got a lotta time
To learn that two-step beat
I bet you'd catch on quick
Hell I can teach ya girl
Don't know much about dancin?
Let me teach ya girl

You've been sippin' something fruity all night
You say you wouldn't know the difference between
A 25-year scotch or a cold Bud Light
But, I bet you'd catch on quick
Hell I can teach ya girl
You don't know much about drinkin?
Let me teach ya girl

It ain't gotta be right here and now
But when you're ready to learn I'll show you how

Yeah I can teach ya in the moonlight or the break of day
Give me a time, tell me that place
Don't be nervous, it'll be worth it
We'll take our time, yeah practice makes perfect
You look at me like you're not quite sure
Like one little lesson's gonna lead to more
I'm starting to think, you've never been in love before
Well I can teach ya girl

Say you ain't ever shot a gun before
You wouldn't know the difference between
A Red Ryder and an old Colt 44
But, I bet you'd catch on quick
Hell I'mma teach ya girl
You don't know much about shootin'?
Let me teach ya girl
(Let's line em up)

Yeah I can teach ya in the moonlight or the break of day
Give me a time, tell me that place
Don't be nervous, it'll be worth it
We'll take our time, yeah practice makes perfect
You look at me like you're not quite sure
Like one little lesson's gonna lead to more
I'm starting to think, you've never been in love before
Well I can teach ya girl
Yeah I can teach ya girl

Tell me anywhere you wanna go
Down to the river or an old back road

Yeah I can teach ya in the moonlight or the break of day
Give me a time, tell me that place
Don't be nervous, it'll be worth it
We'll take our time, yeah practice makes perfect
You look at me like you're not quite sure
Like one little lesson's gonna lead to more
I'm starting to think, you've never been in love before

Well I can teach ya girl
Yeah I can teach ya girl
