

Dizzy

Tyler Shaw

There she goes again, 11 outta 10
Let me explain, what happens I, I can't even
I try to speak but my words they trip
I'm skipping steps that I know I shouldn't skip, shouldn't skip
Try to hit but I'm scared I'll miss
You got me girl, you got me

Girl you got me feeling so (Dizzy)
And you make me lose control (Dizzy)
I'm about to hit the floor (Dizzy)
Dizzy, dizzy, dizzy
A total knock out I'm seeing stars (Dizzy)
Everything is spinning cause (Dizzy)
Dizzy, dizzy, dizzy

I, can't close my eyes
I still see it, on my eye lids
Your body, the way it lies, so perfect
I'm surrounded
I try to speak but my words they trip
I'm skipping steps that I know I shouldn't skip, shouldn't skip
Try to hit but I'm scared I'll miss
You got me girl, you got me

Girl you got me feeling so (Dizzy)
And you make me lose control (Dizzy)
I'm about to hit the floor (Dizzy)
Dizzy, dizzy, dizzy
A total knock out I'm seeing stars (Dizzy)
Everything is spinning cause (Dizzy)
Dizzy, dizzy, dizzy

Hey, I'm so dizzy
I'm so dizzy
I'm so dizzy

Hey, I'm so dizzy
I'm so dizzy
I'm so dizzy

I'm feeling so (Dizzy)
And you make me lose control (Dizzy)
I'm about to hit the floor (Dizzy)
Dizzy, dizzy, dizzy
A total knock out I'm seeing stars (Dizzy)
Everything is spinning cause (Dizzy)
Dizzy, dizzy, dizzy

Girl you got me feeling so (Dizzy)
And you make me lose control (Dizzy)
I'm about to hit the floor (Dizzy)
Dizzy, dizzy, dizzy
A total knock out I'm seeing stars (Dizzy)
Everything is spinning cause (Dizzy)
Dizzy, dizzy, dizzy

Hey, I'm so dizzy

I'm so dizzy
I'm so dizzy
Dizzy, dizzy, dizzy

Hey, I'm so dizzy
I'm so dizzy
I'm so dizzy
