

Wanted

Tyler Shaw

You can't hold me down if I asked you
But I still hold you every night
Hot as hell, yeah you burn like a tattoo
Body's here but I'm outta my mind

Backwards, you go forwards and you can't get enough
Taking all of my words then you cutting 'em up
You're better than worse babe, it's never too much
Oh, I'm right where you want

Am I a fool for loving you?
You know I do it to you like you want it
Am I a fool because of you?
You know it's true, you got me where you wanted

Oh, oh, oh, oh
Oh oh oh, oh oh
Oh, oh, oh, oh
This is what you wanted
Oh, oh, oh, oh
Oh oh oh, oh oh
This is what you wanted
This is what you wanted

Mercy, it's like I need you crazy
Curse me loud and you know I won't fight
The best part about you is the way that I hate you now
And I hate that I have to feel like I need you now

Backwards, you go forwards and you can't get enough
Taking all of my words then you cutting 'em up
You're better than worse babe, it's never too much
Mmm, I'm right where you want

Am I a fool for loving you?
You know I do it to you like you want it
Am I a fool because of you?
You know it's true, you got me where you wanted

Oh, oh, oh, oh
Oh oh oh, oh oh
Oh, oh, oh, oh
This is what you wanted
Oh, oh, oh, oh
Oh oh oh, oh oh
This is what you wanted
This is what you wanted

Going backwards then forwards, you can't get enough
Taking all of my words then you cutting 'em up
You're better than worse babe, it's never too much
No, oh yeah

Am I a fool for loving you?
You know I do it to you like you want it
Am I a fool because of you?
You know it's true, you got me where you wanted

Oh, oh, oh, oh
Oh oh oh, oh oh
Oh, oh, oh, oh
This is what you wanted
Oh, oh, oh, oh
Oh oh oh, oh oh
This is what you wanted
This is what you wanted
