

# Brown Sugar Salmon

Tyler, the Creator

Good day, Sir Baudelaire, what can I do for you?

Oh, dude, I am so fucking hungry, and I just want to eat  
Can I get the, can I get the brown sugared salmon?

Mkay, so our dinner plates this evening are the braised bohemian beef or the  
brown sugared salmon

Heh, yeah, I know, I want, I want the brown sugared salmon please  
With the, with the potatoes, and I don't, I don't want Brussels sprouts

Mmm, I'm so sorry, we are out of that  
The chef actually ran out of salmon because there was a trivial boat shortage at the lake so...

So why did you mention it in the first place?

Because that's our specials

Okay, alright, cool  
Let me just get the ehm, the braised bohemian beef with the potatoes, and I don't...

Oh, Mr. Baudelaire, I'm gonna have to check if we have the braised bohemian beef

Are you fucking dumb?

I'm just gonna have to double check that we have that

Who's who's running this place? Who's in charge here?

I'm in charge Mr. Baudelaire, and thank you so much for traveling with us  
Is there a dilemma I can sort out?

I'm starving, and I just want dinner

Oh, well, our dinner specials are the braised bohemian beef, and the brown sugared salmon

I know, I fucking know, and this lady keeps on telling me that-

Oh, ah, my name's Trina, sir

Okay, well, Trina Sir, keeps saying "It's no salmon, it's no beef, it's no anything", I just want...

It's not "No anything" Mr. Baudelaire, it's the braised bohemian beef or the brown sugared salmon

I think he's leaning towards the beef

Trina, would you quadruple check if we have the beef?

Yes... Mmmmm, we do not have the braised bohemian beef

Oh jeez, I'm so sorry Mr. Baudelaire, I have just got word, that we are in f

act out of the braised bohemian beef  
But, we are now serving complimentary yogurt  
Now, would you like strawberries or granola?

Oh-oh, oh, we are out of the yogurt
