

# I THINK

## Tyler, the Creator

(Four, four, four, four)  
(Four, skate, four, skate, four, skate, four, skate)

I don't know where I'm going (Skate)  
But I know what I'm showing (Four)  
Feelings, that's what I'm pouring (Skate)  
What the fuck is your motive? (Four)  
Man, I wish you would call me (Skate)  
By your name 'cause I'm sorry (Four)  
This is not apology (Skate)  
You are such a distraction (Four)  
That's what T on, aw (Skate)  
Fuckin' up my ambiance, pause (Four)  
You drive me cuckoo and not car (Skate)  
'Cause I want you like Leon Ware (Fuck that)  
Okay, say again it (Fuck that)  
Okay, wait a minute (Woah)  
I dread that shit, I am Anwar (Skate)  
Curiosity killed the feline, gone (Four, skate)

I think I've fallen in love (Skate)  
This time I think it's for real (Four, skate)  
I think I've fallen in love (Four, skate)  
{This time I think it's for real} (Four)  
How can I tell you? (Skate) How can I tell you? (Four)  
How can I tell you? (Skate) How can I tell you? (Four)  
How can I tell you? (Skate) How can I tell you? (Four)  
How can I tell you? (Skate) How can I tell you? (Four)

I notice that you're there, but I'm always in your hair  
And you're always under my microscope {Four}

Waste of bread, I need your attention (Skate)  
I'm off balance, I need some fixin' (Four)  
I'm your puppet, you are Jim Henson (Skate, four)

Fallen in love now (Skate)  
{I think I've fallen in love} (Four)  
Fell in love now (Skate)  
{This time I think it's for real} (Four)  
I think I'm in love now (Skate)  
I think I've fallen in love (Four)  
I think I'm in love now (Skate)  
This time I think it's for real (Four, four)  
How can I tell you? (Shut the fuck up)  
How can I tell you? (Four)  
How can I tell you? (You fuckin' bitch)  
How can I tell you? (Four)  
How can I tell you? (Skate)  
How can I tell you? (Four)  
How can I tell you?  
Take 'em to the bridge

(Four, four, four)  
Four, four, four, four (Four, skate)

{I think I've fallen in love} (Four)

Fell in love now (Skate)  
{This time I think it's for real} (Four)  
I think I'm in love now (Skate)  
{I think I've fallen in love} (Four, skate)  
{This time I think it's for real} (Oh, oh, yeah, yeah)  
  
(Four, skate, four, skate)
