

Sugar On My Tongue

Tyler, the Creator

Ah-ah-ah-ah (Ayy, ayy)
Ah-ah-ah-ah (Ayy, ayy)
Ah-ah-ah-ah (Ayy, ayy)
Ah-ah-ah-ah

Like sugar on my tongue, tongue, tongue
Your body is so sweet, sweet, sweet
Invite me if you come, come, come (Come, come, come)
It's all I want to eat, eat, eat

Tell your mama (Tell 'em, boy)
Tell your daddy (Tell 'em, boy)
Tell the bitches that you know
What you heard about me? (Uh-huh)
Tell your mama (Tell your mama)
Tell your daddy (Tell your daddy)
Tell the world (Uh)
Tell the world

Like sugar on my tongue
Cannot stay away from you
Like sugar on my tongue
Cannot stay away from you

Are you from Mars? Make your arms and legs shake, uh-huh
Give me that slice of cream, is it your birthday? Uh-huh
I got a brush, give me your wallet, I'll pay, uh-huh
Don't need no air, I stay down there 'til I fade (Girl, I'm dead)

Tell your mama (Tell 'em, boy, tell your mama, uh)
Tell your daddy (Tell 'em, boy, tell your daddy, uh)
Tell your mama (Tell your mama)
Tell your daddy (Tell your daddy)
Tell the world (Uh-uh, woah)

Like sugar on my tongue
Cannot stay away from you
Like sugar on my tongue
Can I steal that before I go?

You wanna hit me up? You wanna be my friend?
You wanna get me up? You'll never be lifting
I wanna take you down, you wanna be my thing (Ah, ah, ah, ah)
Oh no, no, no, no (Ah, ah, ah, ah, take me down, yeah)
Oh-woah, oh-oh (Ha, ha, ha, eat you up)
Oh-woah, oh-oh (Ha, ha, girl, I'll eat you up, ha)
Oh-woah, oh-oh-oh (Ha, ha, I'll eat you up, ha)
Oh-woah, oh-oh

Huh, lemme just taste it (Can I eat you up?)
Ain't gotta cuff from nothing (Eat you up, yeah, yeah)
I promise, I'll take you out on a date
Just trust me (Eat you up)
