Tyler Ward

I swear I meant the best when it ended
Even bit my tongue when you started
Now you're texting my friends, asking questions
They never really liked you in the first place
Dated someone for the attention
Only lasted a day, what a connection
It's like you'd do anything for my affection
You're going all about it in the worst ways

I was into you, but now I'm over it now
And I was tryna be nice
Nothing's getting through, so let me spell it out

A-B-C-D-E, F you
And your mom and your sister and your job
And your broke-ass car and that mess you call art
F you and your friends that I'll never see again
Everybody but your dog, you can all F off, hey

Nah-nah-nah-nah, nah-nah, nah-nah, oh
Nah-nah-nah-nah, nah-nah, nah-nah
A-B-C-D-E-F

Said you needed space so I gave it
When I had nothing to say, you couldn't take it
Told everyone I'm a (hey) so I became it
You always had to put yourself above me

I was into you, but now I'm over it now
And I was tryna be nice
But nothing's getting through, so let me spell it out

A-B-C-D-E, F you
And your mom and your sister and your job
And your Craigslist couch and the way your voice sounds
F you and your friends that I'll never see again
Everybody but your dog, you can all F off, hey

Nah-nah-nah, nah-nah, nah, nah-nah, oh
Nah-nah-nah, nah-nah, nah, nah-nah
A-B-C-D-E, F you, alright
A-B-C-D-E, F you, come on
A-B-C-D-E-F
