

Flip The Script

Tynisha Keli

Since it started off
We knew we was just alike
Same down to the flaws
That's how we'd catch each other's lies
So when you got caught
I didn't blow your spot that night
Player I've been [?]
The game now picked other side

Baby I know
Where you be night after night
I know,
When you creep, it's in your eyes
I hope
You don't expect me to cry
'Cause i won't,
No i won't die without you,
No I'm about to, oh

Flip the script
You be cheating, I ain't heated, boy don't
Even trip
I don't get mad, I get even, holla
Flip the script
I will get it, what I'm needing, when you're
With that chick
I don't get mad, I get even, holla.

Said you're working late
I'll be fine and I'll try hard
Not to misbehave
But you know how I was when we [?]
When we play the game
I promise things won't go that far
Just like you promised me
It's funny how things come back out to you

Cause I know
Where you be night after night
I know,
When you creep, it's in your eyes
I hope
You don't expect me to cry
'Cause I won't,
No I won't die without you,
No I'm about to, oh

Flip the script
You be cheating, I ain't heated, boy don't
Even trip
I don't get mad, I get even, holla
Flip the script
I will get it, what I'm needing, boy you're
With that chick
I don't get mad, I get even, holla.

What did you

What'd you thought it was gonna be baby?
What, you thought you could run around and play
[?] be behind my back and I'd just sit here waiting for you
Ain't no way you're about to play me
So anything you do, Imma do the same thing
Cause Imma beat you at the game you taught me
So sit back and watch me

Flip the script
You be cheating, I ain't heated, boy don't
Even trip
I don't get mad, I get even, holla
Flip the script
I will get it, what I'm needing, boy you're
With that chick
I don't get mad, I get even, holla.

Flip the script
You be cheating, I ain't heated, boy don't
Even trip
I don't get mad, I get even, holla
Flip the script
I will get it, what I'm needing, when you're
With that chick
I don't get mad, I get even, holla.
