Assertion

Typecast

Unexplained sight whenever you're around
This unfulfilled adjacent of moment comes around
Impulsive scenes shivers over and over again

I wonder if I could completely present my self to you
I don't have any brilliant words to say
Anyway

And affirmation denies everything I need to say
Take back everything like nothing's left for me
Why can't you feel the way I'm feeling now?

I wonder if I could completely present my self to you
I don't have any brilliant words to say
Anyway

Could you even pretend that you want me?
Could you even pretend that you want me?
Could you even pretend that you want me?
Could you even pretend that you want me?
Want me
Want me
