Deeper I Fall

Typecast

Tomorrow I'll wait for the setting sun
Like the day I waited for you to come
I even think I'll be gone
Tomorrow I'll wait for the setting sun

What I want you to have are my memories of you
We both know we can't be in the same place, in the same room

But in love we're just the same, we're just the same
But in love we're just the same, we're just the same

Tomorrow I'll wait for the setting sun
Like the day I waited for you to come

But in love we're just the same, we're just the same
But in love we're just the same, we're just the same
But in love we're just the same, we're just the same
But in love we're just the same, we're just the same
