

## For Your Sake

Typecast

You have made mistakes  
Mistakes like this before  
Wasted your time, understanding  
Everyone still wanted more  
But only you know what is best for you  
So this time I hope you're sure

Don't lose your head  
You are perfect  
It's them, it's them  
They've got to go  
You know, you know  
That you deserve much more

Cut all your ties, it's alright  
They hide behind,  
Pretending to be frail  
Open your eyes, see through the lies

Don't lose your head  
You are perfect  
It's them, it's them  
They've got to go  
You know, you know  
That you deserve much more

I know you're tired and all used up  
Took you for granted and all caught up

But a new day is dawning  
Brush it off, dry your eyes  
Don't lose your smile  
It won't hurt if you try

Trust your heart, trust what's true  
Then maybe, it'll save you  
Don't give them what they want  
Cut all ties, it's alright
