

When can I see you again?  
Cause you're always in my mind  
When can I meet you again?  
Cause I'm waiting all the time

Is it wrong if I tell you what I feel?  
Why are you doing this to me?  
I guess it's wrong for me to say  
Those things cause I'm not cool

Enough for you  
I guess that it is true  
That I'm not cool  
But I can give you all of me, yeah

When can I see you again?  
Cause I wanna tell you I'm sorry  
Why didn't you answered my calls  
I'm begging you please call me

I need attention from you  
But the snubbing that I got  
And if you ask me if I'm okay  
Well I'll tell you I'm not

Is it wrong if I tell you what I feel?  
Why are you doing this to me?  
I guess it's wrong for me to say  
Those things cause I'm not cool

Enough for you  
I guess that it is true  
That I'm not cool  
But I can give you all of me, yeah

Yeah  
Yeah
