

# Sympathy Is Never Considered Help

Typecast

Turn off the lights  
You don't want to see me this way  
Beat and broken

Pick up the pieces  
In the morning  
So turn off the lights

I'm sure you know  
What I've been through

You're just making it worse  
Go and take your sympathy with you  
I don't need it, I never did  
I can make it on my own  
Just cut your helping hand

I've got to pull myself together  
My days are turning in  
My life is like a candle  
Burning and melting away  
Burning and melting away

You're just making it worse  
Go and take your sympathy with you  
I don't need it, I never did  
I can make it on my own  
Just cut your helping hand

Burning and melting away  
Burning and melting away

You're just making it worse  
Go and take your sympathy with you  
I don't need it, I don't need it  
I can make it on my own  
Just cut your helping hand

Take your sympathy with you  
Take your sympathy with you  
Take your sympathy with you  
Take your sympathy with you

Go and take your sympathy with you (I'm sure you know)  
Take your sympathy with you  
Go and take your sympathy with you (I'm sure you know)  
Take your sympathy with you
