

# The Lights Go Out

**Typhoon**

Death and life  
Shines like a light  
Stubborn and bright  
Oh take me through the night

Heaven and woes  
Every man's sorrow  
Shoulder that load  
Oh the end is in sight

Take my hands  
Oh my brothers  
Oh take my hands  
Oh my brothers

Some day  
Oh, some day  
The lights will go out

Heaven and life  
Oh it shines like a light  
Stubborn and bright  
Oh take me through the light

Heaven and woes  
Every man's sorrow  
Shoulder that load  
Oh the end is in sight

Oh take my hands  
Oh my brothers  
Oh take my hands  
Oh my brothers

Some day  
Oh, some day  
The lights will go out
