

Uh, uh,  
She thought that I'd be her keeper,  
I don't think I ever saw a girl so fly!  
Since I said nice to meet ya, I don't wanna leave her,  
Uh, I think I wanna make you mine!  
Uh, baby you're a diva,  
I don't wanna see her in the whip with another guy  
Come on to the table  
I got what you came for  
Pick up a glass, girl and let's get right!

Cause you got a hell of a body  
Let me take you to jail lil mami  
You got what I need  
And you got what you came for  
I can get you what these other niggas ain't able!

Oh, baby girl we're doing it  
It's so good!  
Make 'em other niggas wanna do it like this!  
Oh, baby girl we're doing it  
It's so good!  
I keep on buying bottles if you keep on doing that!  
Go ahead and do it, do it, do it!  
Tell 'em bring the fireworks to my table!  
Go ahead and do it, do it, do it, do it  
Keep on moving, as long as you can do it!

She said flex like that and I'm a give her some  
And she won't want more drinking, I'm a give her one!  
I'm a bring that ace of spades and some roses  
I got bounce on baby, you can make some your way!

Cause you got a hell of a body  
Let me take you to jail lil mami  
You got what I need  
And you got what you came for  
I can get you what these other niggas ain't able!
