

Hurry Up

Tyrese

Hurry up and give your lovin to me,
Right now I need your body near me,
Girl you, need to, be right, here with me so,

Girl Im feelin so alone by myself in this big home,
Wishin you were here with me,
Decided to try my luck, by callin you up,
Hopin you can take me up out this misery,
As time passed me by, I'm askin myself why,
Am i lyin by myself, this ain't good for my health,
Which all the more reasons that you should be, right here baby,
right now baby,

Hurry up and give your lovin to me,
Right now I need your body near me,
Girl you, need to, be right, here with me so

I'm starin out my window, twittlin my toes,
Huffin and puffin cuz im bored,
Said it's been about an hour, think imma take a shower,
Couldn't fall asleep playin gameboy,
Im sick of lookin at the ceiling, i think i need a healin,
Callin on you, cuz u know what do,
Which all the more reasons u should be, right here baby right n
ow

Hurry up and give your lovin to me,
Right now I need your body near me,
Girl you, need to, be right, here with me so

Said my doctor says that I,
That dont need to be alone (by myself),
I need someone to watch over me,
Said my problem could get worse,
If i stay at home (in this bed),
And your lying not next to me,
Said ur my medicine,
Which i will be here,
Girl this is an emergency,
Use a sense of urgency,
Please come see about me..(ohh)

Hurry up and give your lovin to me,
Right now I need your body near me,
Girl you, need to, be right, here with me so
