

Ain't Nothing I Can Do

Tyrone Davis

Ain't nothing i can do with a woman like you but love ya
I love you any kind of way, just say whats on your mind, ooh
there aint nothing i can do with a woman like you but love ya
baby, i wanna take my time

yeah!

I see it all in my mind
On this rare occation
And we'll be taking our time
in a loving situation

But oh what is in you
Makes me wanna do ooh ooh
Aint nothing i can do with a woman like you but love you
i love you any kind of way, just say whats on your mind, ooh
There aint nothing i can do with a woman like you but love ya

Baby!
I wanna take my time
yeah
ooh baby!

Squeezing your tender body
In a dark cozy room (aint nothing i can do)
exited with psyche desire
from the sweet smell of your perfume

But oh, what is in you
Makes me wanna do ooh ooh ooh, baby!
Aint nothing i can do (ooh baby!)
Well, well
Ooh baby (love ya) ooh baby
Well Well

Ain't nothing i can do with a woman like you but love ya
I love you any kind of way, just say whats on your mind, ooh
there aint nothing i can do with a woman like you but love ya
baby, i wanna take my time

Ah Baby
Woo Baby
Well
You see baby
You're so fruity
You're so fine
