

Forever

Tyrone Davis

Mmm-hmm, mmm-hmm-hmm
Mmm-hmm

I will if you will
Love you from now on
Sweet baby
I can if you can
Be warm and gentle to you forever
Be sweet and tender to you forever
(Doodle-doodle-do-do) If we try real hard
I know we both can understand
That a man needs a woman
Oh, I know a woman sure needs a man
But surely as there are stars up above

(Doodle-doodle-do-do) We got an everlastin' love
Forever, and ever, and ever

Sweet baby
We two were meant, you and me
To be together always
To share and to love eachother from now on

(Doodle-doodle-do-do) So many nights
While you were away, I had to sleep all alone

(Doodle-doodle-do-do) Couldn't reach you by mail
(Doodle-doodle-do-do)
Oh, you wouldn't even answer the telephone
But I know deep down inside of me
Without a doubt (Surely)
Your sweet lovin' I just can't do without
For not one minute, for not one hour
For not one day, sweet baby
I got to have all of your love forever
(Doodle-doodle-do-do) If I told you once
I told you a thousand times
Life just ain't worth livin'
If you not here by my side
But surely as there are heavens up above
(Doodle-doodle-do-do) We got an everlastin' love
Forever, and ever, and ever

I will if you will
