

Overdue

Tyrone Davis

[Intro]

(Ooh, la-la-la)

(Ooh, la-la-la)

(Ooh, la-la-la)

(Ooh, la-la-la)

[Verse 1]

It's been much too long

Since we spent some time together

Since you left my world

I found it hard to love another

[Pre-Chorus]

Can't sleep at night, no-no

Nothing seems right

Up seems like down

Can't you see that I'm so turned around?

[Chorus]

(Overdue) Ooh, it's about time

(Overdue) That you felt this love of mine

(Overdue) I need you, baby

(Overdue) Oh, hey

[Verse 2]

Let's not hesitate

'Cause I'm full of love and desire

Girl, for heaven's sake

'Cause it's your love I admire

[Pre-Chorus]

Can't sleep at night, no-no

Nothing seems right

Up seems like down

Can't you see that I'm so turned around?

[Chorus]

(Overdue) Ooh, it's about time

(Overdue) That you felt this love of mine

(Overdue) I need you, baby

(Overdue) Oh, hey

[Bridge]

(Ooh, la-la-la)

(Ooh, la-la-la)

(Ooh, la-la-la)

(Ooh, la-la-la)

[Chorus]

(Overdue) Ooh, it's about time

(Overdue) That you felt this love of mine

(Overdue) I need you, baby

(Overdue) Hey-hey

[Outro]

(Overdue) Ooh, baby

(Overdue) I'm overdue for your love

(Overdue) Ooh, baby
