

# Turning Point

Tyrone Davis

Sho Lover Sweet thing  
I've reached the I've reached the turning point in my life  
I've reached the turning point lord lord lord in my life

I used to stay out all night long  
Used to do a whole lot of wrong  
And I don't know where I would end up  
If that sweet thing hadn't come a long  
Said that sweet thing hadn't come a long

No more running around for me  
Finally settling down I've reached the I've reached the turning point  
in my life  
I've reached the turning point lord lord lord in my life

I met a girl  
She's one out of a hundred and ten  
And she don't get exited  
By those slick talking men  
She0s a wiz around the house  
Neat as a pin  
If I got a hole in my sock  
Got a hole in my shirt  
Sweet thing, she'll mend

No more staying out late for me  
No more narrow escapes for me  
I've reached the I've reached the turning point in my life  
I've reached the turning point lord lord lord in my life

Do Do Oop yea Do Do Oop yea  
Do Do Oop yea Do Do Oop yea

No more running around for me  
Finally settling down  
I've reached the I've reached the turning point  
In my life  
I've reached the turning point lord lord lord  
In my life

Say I don't know where I would end up  
If that s that sweet thing hadn't come along  
Said that sweet thing hadn't come along  
I might have been locked up  
If that sweet thing hadn't come along  
I might have been insane out of my mind  
If that sweet thing hadn't come along  
I might down skid row, I don't know  
If that sweet thing hadn't come along  
If that sweet thing hadn't come along
