

# Monday Can Wait

Tyrone Wells

Seven steps to the hallway  
Two more nights till it's too late  
Told you how I felt on Friday  
You said don't ever leave by Sunday

And no one in the world has ever made me feel so high  
I'm trying to stop the seconds till we have to say goodbye

Add another day to the weekend  
Monday, Monday can wait  
Holding you close while we sleeping  
Monday, Monday can wait  
Making memories we'll never forget  
And I don't wanna see you have to go, yeah  
Monday, Monday can wait  
Monday, Monday can wait

One more song, holding you close  
One more hour till the night goes  
One more kiss like lightning  
'Cause there's no promise in five days we'll be here again

No one in the world has ever made me feel so high  
I'm trying to stop the seconds til we have to say goodbye

Add another day to the weekend  
Monday, Monday can wait  
Holding you close while we sleeping  
Monday, Monday can wait  
Making memories we'll never forget  
And I don't wanna see you have to go, yeah  
Monday, Monday can wait  
Monday, Monday can wait

No one in the world has ever made me feel so high  
I'm trying to stop the seconds til we have to say goodbye

Add another day to the weekend  
Monday, Monday can wait  
Holding you close while we sleeping  
Monday, Monday can wait  
Making memories we'll never forget  
And I don't wanna see you have to go, yeah  
Monday, Monday can wait  
Monday, Monday can wait

Add another day to the weekend  
Monday, Monday can wait  
Holding you close while we sleeping  
Monday, Monday can wait  
Making memories we'll never forget  
And I don't wanna see you have to go, yeah  
Monday, Monday can wait  
Monday, Monday can wait
