

## Born to Run

U.D.O.

You're back to win  
To start again  
Searching for the power  
That you've had before  
The tables turned  
Mistakes you've made  
Stop telling lies - no angeleyes  
Just look straight ahead  
Don't be afraid to roll the dice  
Open up your eyes  
So hit the road and memorize  
You're not for sale  
You're born to run  
So take it from the start  
You know you're born to run  
Don't lose your heart  
Now you're calling the shots  
So you'd better watch out  
Don't you understand you can't deny  
What you have done before  
But don't you know  
Your time will come  
Forget the past - just head out  
Head out for your aims  
And in the end you'll see the light  
Tearing up the night  
So let it shine and realize  
You're not for sale  
You're born to run  
So take it from the start  
You know you're born to run  
Don't waste your time and realize that you're  
You're born to run  
Tomorrow's here today  
'Cause you're the number one  
You're leading the way  
So just believe me  
You'd better watch out  
Your time will come  
Mark my words  
Think about it  
I wanna tell ya  
You're born to run  
So take it from the start  
You know you're born to run  
Don't waste your time and realize that you're  
You're born to run  
Tomorrow's here today  
'Cause you're the number one  
Fight the fight - light the light - realize you're  
born to run
