

## Hot Tonight

U.D.O.

We don't give a damn what they do for a living  
Everywhere we go we party just the same  
Getting all my fun  
With crazy little girls like you  
Playing all your games acting like a fool  
Screaming- feel the fire  
Screaming- feel the fire- feel it now now now  
'cause we are hot tonight- hot tonight  
'cause we are hot tonight- hot tonight  
Must be time to go I'm feeling hot and sweaty  
Find a place to go to make it hard'n'heavy  
Wasting all this time  
Would be a silly thing to do  
Please don't be a tease now it's time me and you  
Screaming- feel the fire  
Screaming- feel the fire- feel it now now now  
'cause we are hot tonight- hot tonight  
'cause we are hot tonight- hot tonight  
Screaming- feel the fire  
Screaming- feel the fire- feel it now now now  
'cause we are hot tonight- hot tonight.....
