

Hungry and Angry

U.D.O.

If you're looking for something
And you're thinking of nothing
If you think you're somebody
One day you'll be lucky

High and dry
Hungry eyes
Read my lips
Sunken ships

We are hungry and angry
We are hungry for you
We are hungry and angry
Hungry and angry for you

Hey you bastard
Hey you slime
Hey you monster
You'll be mine

So I think you're a nothing
You mean nothing to me
So you try to be someone?
Think you'll be lucky?
