

# Keeper of My Soul

U.D.O.

When the dark is around you  
When the darkness came into your soul  
It belongs to the creature  
When you're down it gets you all alone

When your life is a...  
Broken piece and a...  
Lost in harm when I'm...

All alone with the keeper of my soul  
Keeper of my soul  
Who is the keeper of my soul  
Keeper of my soul

When the sun's in the picture  
When the sun comes down into your soul  
Still belongs to the creature  
When you're down it gets you all alone  
F

When your life is a...  
Broken piece and a...  
Lost in harm when I'm...  
All alone with the keeper of my soul...
