Metal Machine

U.D.O.

It comes to you without a warning It get’s connected to your mi
nd It’s on a hunt, it will find you You can’t escape its terror
mind

It starts the laser eyes And starts to memorize And now the cha
se Has now begun

It’s starting up the multiphasing Its generators heating up

It stares with empty eyes You will be paralyzed And now you can
not run away Grabs you with metal arms Incineration farm You ar
e the waste, it doesn’t need

Look and see The metal machine We’ve all been living – now it’s
over Hide and seek The metal machine Creep and crawl, it’s get
ting colder Metal machine Metal machine

The clock is ticking down the warning Until the bell begins to
ring Tried to fight, we cannot move We know the human race is t
hrough

It stares with empty eyes You will be paralyzed And now you can
not run away Grabs you with metal arms Incineration farm You ar
e the waste, it doesn’t need

Look and see The metal machine We’ve all been living – now it’s
over Hide and seek The metal machine Creep and crawl, it’s get
ting colder Metal machine Metal machine

[Solo]

Look and see The metal machine We’ve all been living – now it’s
over Hide and seek The metal machine Creep and crawl, it’s get
ting colder Look and see The metal machine We’ve all been livin
g – now it’s over Hide and seek The metal machine Creep and cra
wl, it’s getting colder Metal machine Metal machine Metal machi
ne Metal machine
