

## Primecrime on Primetime

U.D.O.

The updates of the anchorman  
And Reuters breaking news  
Information fills the waves  
With different points of view  
The breakfast table battleground  
Surplus overload  
No matter what is on the screen  
We hammer on and on  
See the primecrime on primetime  
That is the lifestyle on T.V.  
See the primecrime on primetime  
Another deadline - headline - on the screen  
A hijack and a bomber's car  
A killer going free  
A multimillion bank account  
Simply disappeared  
A tanker lost and ran aground  
A train came off the track  
An innocent just standing by  
A victim of attack  
Oh - no - yes - more  
The flooding of our heritage  
Hurricanes at sea  
Mighty mountains detonate  
For all the world to see  
Ignoring all catastrophes  
Until it's at your door  
Microphone and cameraman  
You're the news at four
