

## Do it again

U.S. Bombs

Well ya left me dead and ya didn't wanna be my friend - Yeah, yeah do it again  
Rolled me over went threw my pocket and ran - Hey hey do it again  
Goin' back home but I have no home to go - No, No do it again  
Shootin' for the moon in a cannon face first on the floor - Yeah, yeah do it again  
If hurt so bad, I just wanna die and leave life in the past  
She broke my heart when she sold my best guitar - yeah, yeah do it again  
Sinkin' in the hour glass time is so slow - Hey, hey do it again  
Turnin'up the heart but I'm back out in the cold - No, no, do it again  
Shootin' for the moon but I'm swingin' on a star - Yeah, yeah, do it again  
If hurt so bad just wanna die and leave life in past.
