New Killer

U.S. Bombs

Quiet knocks on the front door Delivery eat the liver Pizzas for the stocking killer Feed it to the head in the freezer

Ravaging inside the trash They?re all on speed Place your bets the worms crawl in My bodies in the grave

Shouting in my rooms no good I won?t be saved Take the handcuffs off me now I smoke in chains

No, no, no, no, no, not again No, no, no, no, no, not again (Skip one) Not again No, no, no, no, no, not again (Skip one)

Deep sleep ain?t what it used to be Place your guns onto the bar and keep me company Eyes as black as frying pans and wilmas on T.V. Billy Ruebens burns the blood don?t move it stings

New killer New killer New killers, yeah No, no, no, no, not again, yes again
