

California (There Is No End to Love)

U2

Bar-Bar-Barbara, Santa Barbara
Bar-Bar-Barbara, Santa Barbara
Bar-Bar-Barbara, Santa Barbara
Bar-Bar-Barbara, Santa Barbara

California
Then we sail into the shiny sea
The weight that drags your heart down
Well, that's what took me where I need to be

Which is here, out on Zuma

Watching you cry like a baby
California
At the dawn you thought would never come
But it did
Like it always does

Whoa, oh, all I know
And all I need to know is
There is no, yeah,
There is no end to love

I didn't call you
Words can scare a thought away
Everyone's a star in our town
It's just your light gets dimmer if you have to stay

In your bedroom, in a mirror
Watching yourself cry like a baby
California
The blood orange sunset brings you to your knees
I've seen for myself, there's no end to grief
That's how I know

Whoa, that's how I know
And why I need to know
That there is no, yeah,
There is no end to love

Whoa, oh, all I know
And all I need to know is
There is no, yeah,
There is no end to love

Whoa, oh, all I know
And all I need to know is
There is no, yeah,
There is no end to love

Whoa, we come and go
With stolen days you don't get back
Stolen days are just enough
