Take these hands they're good for nothing
You know these hands never worked a day
Take these boots they're going nowhere
You know these boots don't want to stray
You got my head filled with songs
You got my shoelaces undone

Take my shirt, go on take it off me

You can tear it up if you can tie me down

R: Do you feel loved
Do you feel loved
Do you feel loved

Do you feel loved

Take the colours of my imagination
Take the scent hanging in the air
Take this tangle of a conversation
And turn it into your own prayer
With my fingers as you want them
With my nails under your hide
With my teeth at your back
And my tongue to tell you the sweetest lies

Do you feel loved Do you feel loved Do you feel loved

Do you feel...
Do you feel...

And it looks like the sun  ${f G}$ 

But it feels like the rain Oh

Love's a bully pushing and shoving In the belly of a woman Heavy rhythm taking over To stick together A man and a woman Stick together Man and woman Stick together... And I feel loved Do you feel loved Do you feel loved And it looks like the sun But it feels like the rain And there's heat in the sun To see us through the rain Do you feel loved Do you feel loved
