

# Every Breaking Wave

U2

Every breaking wave  
On the shore  
Tells the next one there'll be one more

Every gambler knows  
That to lose  
Is what you're really there for

Somewhere else, fearlessness  
Now I'm speaking to an answer phone  
Every silent leaf  
On the breeze  
Winter wouldn't leave it alone

Ay hey now  
Ay hey now

I don't know if I'm that strong  
I don't know if I'm that strong  
Don't know if I'm that strong  
To be somebody  
To need someone

Every sailor knows that the sea  
Is a friend made enemy  
Every shipwrecked soul  
Knows what it is  
To live without intimacy  
I thought I heard the master's voice  
It's hard to listen while you preach

Like every broken wave  
On the shore  
This world's as far as I can reach

Ay hey now  
Ay hey now

I don't know if I'm that strong  
I don't know if I'm that strong  
Don't know if I'm that strong  
Got to be somebody  
To need someone

The waves know  
We're on the rocks  
Drowning is no sin

And you know  
My heart is  
The same place yours has been

We know  
The fear of winning  
Should we end before we begin

The waves know

We're on the rocks  
Drowning is no sin

You know  
My heart is  
The same place yours has been

We know  
The fear of winning  
Should we end before we begin
