

# Gone

U2

**Emi**

You get to feel so guilty, got so much for so little  
Then you find that feeling just won't go away  
You're holding on to every little thing so tightly  
Till there's nothing left for you anyway

**G D**

**Goodbye,**

**Emi C**

You can keep this suit of lights

**Ami**

I'll be up with the sun

**D C**

And I'm not coming down

**D C**

I'm not coming down

**D E**

I'm not coming down

You get to feel so guilty...

Goodbye...

**Emi Ami**

And I'm already gone

**Emi Ami**

Felt that way.... all along

**D Ami**

Closer to you every day

**D Ami**

I didn't want it that much any way...

You're taking steps that make you feel dizzy  
Then you get to like the way it feels  
You hurt yourself, you hurt your lover  
Then you discover what you thought was freedom was just greed

Goodbye, no emotional goodnight

We'll be up with the sun

Are you still holding on?

I'm not coming down

I'm not coming down
