

Love Is Blindness

U2

Hmi **A**
Love is blindness, I don't want to see

G **Emi**
Won't you wrap the night around me

Hmi **F#** **Hmi**
Take my heart, love is blindness

In a parked car, in a crowded street
You see your love made complete
Thread is ripping, the knot is slipping, love is blindness

Love is clockworks, and cold steel
Fingers too numb to feel
Squeeze the handle, blow out the candle, love is blindness

Love is blindness, I don't want to see
Won't you wrap the night around me
Oh my love, blindness

C **G/H**
A little death, without mourning

F# **Hmi**
No call, and no warning

C **G/H**
Baby... a dangerous idea

F#
That almost makes sense
