

## Mysterious ways

U2

**A** **D**  
Johnny took a walk with your sister the moon  
**A** **E**  
Let her pale light in to fill up your room  
**A** **D**  
You've been living underground, eating from a can  
**A** **E** **A**  
You've been running away from what you don't understand (love)

**A** **D**  
She's slippy, you're sliding down  
**A** **D**  
She'll be there when you hit the ground

**A** **A**  
It's alright...it's alright...it's alright  
**C** **G**  
She moves in mysterious ways  
**A** **D**  
It's alright...it's alright...it's alright  
**C** **G**  
She moves in mysterious ways

Johnny take a dive with your sister in the rain  
Let her talk about the things you can't explain  
To touch is to heal, to hurt is to steal  
If you want to kiss the sky  
Better learn how to kneel (...on your knees boy!)

She's the wave, she turns the tide  
She sees the man inside the child

It's alright...it's alright...it's alright  
She moves in mysterious ways (3x)  
It's alright...it's alright...it's alright  
Lift my days...light up my nights

**Ami** **D** **Ami**  
One day you'll look back and you'll see  
**G** **A**  
Where you were held how by this love  
**D**  
While you could stand there  
**C**  
And not move on this moment  
**G**  
Follow this feeling

It's alright...it's alright...it's alright  
She moves in mysterious ways  
It's alright...it's alright...it's alright  
We move through miracle days  
Spirit moves in mysterious ways  
She moves with it, she moves with it  
**C** **G** **A**  
Lift my days and light up my nights
