Hmi

I know a girl, a girl called Party

A

Party girl

Hmi

I know she wants more than a party

A

Party girl

Hmi

And she won't tell me her name

I know a boy, a boy called Trash

Trash Can

I know he does all that he can

Wham Bam

And he won't tell me his name

I have a heart, a heart that's beating inside

When I was three I thought the world revolved around me

I was wrong

And so I sing along

And if you dance, then dance with me

I know a girl, a girl called Party

Party girl

I know she wants more than a party

Party girl

I know a boy, a boy called Trampoline

You know what I mean

I think you know what he wants

I think he knows what he wants

I think he knows what he wants
