U2

**Hmi** I know a girl, a girl called Party

**Emi**

**A**  
Party girl

**Hmi** I know she wants more than a party

**Emi**

**A**  
Party girl

**Hmi**  
And she won't tell me her name

I know a boy, a boy called Trash  
Trash Can

I know he does all that he can  
Wham Bam

And he won't tell me his name

I have a heart, a heart that's beating inside  
When I was three I thought the world revolved around me

I was wrong

And so I sing along

And if you dance, then dance with me

I know a girl, a girl called Party  
Party girl

I know she wants more than a party  
Party girl

I know a boy, a boy called Trampoline  
You know what I mean

I think you know what he wants

I think he knows what he wants

I think he knows what he wants
