

# Peace On Earth

U2

**G**

Heaven on Earth

**C**

We need it now

**G**

I'm sick of all of this

**C**

Hanging around

**G**

Sick of sorrow

**C**

I'm sick of the pain

**Ami**

I'm sick of hearing

**D**

Again and again

**Ami**

That there's gonna be

**G**

Peace on Earth

**G**

Where I grew up

**C**

There weren't many trees

**G**

Where there was we'd tear them down

**C**

And use them on our enemies

**G**

They say that what you mock

**C**

Will surely overtake you

**Ami**

And you become a monster

**D**

So the monster will not break you

**Ami**

And it's already gone too far

You said that if you go in hard

**G**

You won't get hurt

**G**

Jesus can you take the time

**Ami**

To throw a drowning man a line

**Emi**

**C**

Peace on Earth

**G**

Tell the ones who hear no sound

**Ami**

Whose sons are living in the ground

**Emi**      **C**  
Peace on Earth

**G**  
No who's or why's

**Ami**  
No one cries like a mother cries

**Emi**  
For peace on Earth

**G**  
She never got to say goodbye

**Ami**  
To see the color in his eyes

**Emi**  
Now he's in the dirt

**G**  
Peace on Earth

**G**  
They're reading names out

**C**  
Over the radio

**G**  
All the folks the rest of us

**C**  
Won't get to know

**Ami**  
Sean and Julia

**D**  
Gareth, Anne, and Breeda

**Ami**  
Their lives are bigger than

**D**  
Any big idea

**G**  
Jesus can you take the time

**Ami**  
To throw a drowning man a line

**Emi**      **C**  
Peace on Earth

To tell the ones who hear no sound  
Whose sons are living in the ground  
Peace on Earth

Jesus in the song you wrote  
The words are sticking in my throat  
Peace on Earth

Hear it every Christmas time  
But hope and history won't rhyme  
So what's it worth

This peace on Earth

**G**  
Peace on Earth

**C**  
Peace on Earth

**G**

Peace on Earth
